2019/05/03 Chairman's Annual Report

The Chairman reported on the usual business of the Parish Council: closure of Sabden Road for a period of over six months. Difficulties encountered by villagers due to the exorbitant increase of traffic through the village. The new roundabout (A59) caused disruption but is a vast improvement at this dangerous crossing. The continuation of increased house building within the local area, though not directly within the parish, continues to cause concerns regarding increase of population, traffic and lack of infrastructure. The Parish Lengthsman is a worthwhile scheme and assists in keeping the green areas neat and tidy proving to be good value for money. Cllr Ron Saville, sadly, decided not to stand in the recent elections but his time and effort whilst on the council was greatly appreciated. Thanks also extend to our Clerk, Lynne for her work over the past year.

2019/05/04 Annual Statement of Accounts – year end 31 March 2019
